of Northern Nevada

Youth Engaged In Service Fund Proposal Form

Background:

The YES Fund was created by the Washoe County Commission to award youth ages 5-24 for science and STEM projects that serve our community. Awards of \$500 to \$2,500 are possible through the YES Fund- apply today! Group or individual applications will be accepted.

Criteria:

Applicants can be youth ages 5-24 who are engaged in science or STEM and who are committed to service to the community. Youth must be Washoe County residents and their proposed project must benefit Washoe County.

Grants may fund projects that benefit Washoe County and are science/STEM related and will be awarded to qualified 501(c)3 nonprofits, educational, governmental, or religious institutions on behalf of the applicant for the approved purpose detailed in the proposal. Funding purposes may also include program expenses such as websites, publications, or materials.

Awardees will be required to submit a written report to the Community Foundation at the completion of their project detailing expenditures and project outcomes which will be shared with the Washoe County Commission as appropriate.

**The deadline to submit an application is May 15th
via email to Lauren Renda, Philanthropic Advisor, at lrenda@nevadafund.org.**
