Greetings!

High School Giving Circle Results Show

Nonprofit executives and the members of the High School Giving Circle (HSGC) celebrated the results of the HSGC's philanthropy in April. Nonprofit representatives reported on the measurable impact of their 2018 grant. This follow-up meeting scheduled four months after the grants were recommended, gives the students the opportunity to learn more about the grantees than they did in the time-controlled proposal interview sessions. Students asked, **Who was helped? What was changed? What did you learn?** The annual results show helps students think about the impact of their grants and helps build a relationship between the students, the Community Foundation, and local nonprofits.

What does it take to get into Village on Sage Street?

Once the exterior improvements are completed, the ramps and curbs are installed, and building interior hallways are finished and painted, the VOA will begin the resident selection process.

We are anticipating that the Village will

be ready for occupancy by the end of June. As the construction winds up, a few concerned people asked what is needed to be successful in the selection process for Village on Sage Street.

While caregiving can be lonely, you are not alone. Committing to a caregiver support group will help you problem solve and manage stress.

Why Support Groups are Essential for Caregivers

Washoe Caregivers Blog

by Kelli Hirt

Spending a small amount of time regularly with a support group makes a large impact on the well being of caregivers and the person they are caring for.

Campaign for Our Community

"Although we didn't grow up here we consider Reno our "hometown" and, like all of you, we care about our hometown.

I am inspired by the power of so many giving to one Community Endowment

Fund, because collectively we can insure that this endowment continues to grow and together we can make a difference."

Take care of our hometown.

Make a gift of any size and join your neighbors and friends (and the Satres) when you support the [Campaign for Our Community](#).

We thank Jennifer Satre, Campaign for Our Community Co-Chair for speaking about her personal reason for supporting the Community Endowment at the Launch Party.

Write down what you dream of doing. Is it buying books for the library?

Supporting an outdoor camp for kids who have never been to Lake Tahoe?

Perhaps endowing a project for your civic club or even creating a scholarship?

Whatever your passion, you can make our community better through a bequest in your will or trust.
